ISTHMIAN LEAGUE NORTH

SEASON INSIGHTS FROM **TONY BARNES & ANDY CLARKE**

**Good afternoon all.
Welcome to the AGL Arena for
our last scheduled home league
fixture of the season, and what
a season it has been!**

With this being the final league game of the season I thought my Chairman and mate Tony Barnes and I could have a look back at the season, hopefully you will enjoy our thoughts whether you agree with them or not...

Hi mate, thanks for taking the time and joining me on this. At your time of life (soon to reach the big 60) I hope the old grey matter doesn't let you down lol!

TB: Hi mate, a pleasure although as you have suggested I might not remember things quite as clearly as youngsters like yourself but I'll do my best...

HIGHLIGHT OF THE SEASON?

TB: If you are asking for one particular performance, for me it would be the home league fixture against Champions Lowestoft Town. We completely dominated the game and I left knowing we had the ability to win the league and indeed hold our own at level

3 next season. Jack was outstanding in not allowing Lowestoft's main man Jake Reed hardly a kick. Beating local rivals Bury early on was also very enjoyable, not just because of the performance, but just because it was against Bury!

AC: This is between two for me. The home game against Lowestoft when we literally ripped them apart and for 90 mins they didn't have an answer, the most complete performance I have seen from a Felixstowe side for many a year. Although the next performance isn't for the whole game but Leiston in the semi was remarkable. A patched up side, eleven fit seniors, players out of position all over the place yet the sheer grit, determination and togetherness in the second half was incredible. As a member of this club I walked away from that night so immensely proud of us having stuck it to them, so it has to be this game, second half.

HOW THE HELL DID WE GET AWAY WITH THAT MOMENT!

TB: The one game that I left thinking how the hell did we leave with all three points was probably the pre-Christmas derby game at Ipswich Wanderers. It was a game that we should have won comfortably but we simply didn't perform and allowed ourselves to go down to their level, a very scrappy game that often looked as though it was Wanderers who should be higher in the league and us who should be struggling. Henry Barley was introduced on the hour and duly grabbed a later winner - it was defo a case of played shite, but got the three points and get on with next game.

AC: This is a tough call as we have made life so very difficult for ourselves at times particularly in the second half of the season. Recently, Witham and Brentwood at home, with the boy Brown saving the day on both occasions. Those that travelled will remember also recently Enfield away. However for me it has to go to the Premier Cup game early in the season when we played lower level Hadleigh at home. They battered us for most of the game with it looking like Charlie's brother would end up with the bragging rights in the Warren family. However right at the death up stepped Charlie to break Hadleigh's and his brothers heart scoring a wonderful free kick.

GOAL OF THE SEASON?

TB: This is where the old grey matter lets me down, so apologies for all the goals that I've forgotten. In recent times it must be Josh Hitter's wonder hit here against Wanderers to salvage a point, top bins from 25+ yards out, closely followed by Zak's winner at home against Witham.

AC: Sometimes it's not just about the sheer finish, it's the build up, pressure etc. Again Charlies free kick against Hadleigh, Hitters last minute equaliser on the opening day at Maldon along with some wonderful headers during the course from Leon, Bully, Jack etc. Taking everything into account I'm gonna plump for Zak's winner against Witham. To start it's the two subs that have come on (praise to the manager) combining to create and finish (Fordy setting it up), the simplicity of a player getting his head up and picking out a player, Zak actually called for it, then just a simple yet quality finish. A very important three points.

BEST DAY OUT?

AC: Without a shadow of a doubt it has to be our trophy clash away at Billericay. For me it's everything I love about local football. Going to a club higher in the pyramid, a good coach journey (a couple of beers with Mr Isacks),

the people running their club were so warm and welcoming, happy to share ideas and thoughts. Good quality beer plus a decent burger, all this was capped with us scaring the living crap out of them on the pitch. At one point I was seriously thinking we could go on and win it. However not to be but the after match hospitality was first class with a lovely meal accompanied by a couple of glasses of shiraz.

TB: My best day out is judged by how sore my head is the following morning and our annual pub crawl trip to Bury is always the most enjoyable. Early train, in The Beer House for 12 noon, couple more pubs on way to ground, and a great night out with friends in the evening - this year made even better as it was a great game of football too with Henry Barley notching a second half brace to make it 3-3.

I also enjoyed Billericay, if for no other reason but to see how the other half live, very impressive - "one day Rodney!!"

PLAYER OF THE YEAR?

TB: Very tough call this year, the work rate of Josh Hitter, the quality of Noel Aitkins and

Charlie Warren, the attitude of Stuart Ainsley and Leon Ottley-Gooch the early season form of Sam Ford all deserve a mention, but for all round consistency and reliability I have to go with Jack Ainsley, and I do believe that the title would have been ours had it not been for Jack's injury in the last seconds of the Brentwood game, having seen us gain only five points from last 15 available.

AC: This is generally a pretty tough one but I feel due to our horrendous injury list this term it has been made a little easier as we lost a lot of consistency in the second half of the season. Then saying that they do say form is temporary and class is permanent and I feel this was personified by Ainsley Jnr until his awful injury that ended his season. I can't remember him putting in a less than 7.5/10 performance since his return to the club. I had sincerely hoped that he was going on to play every minute of every game and prior to his achillies injury this looked liked a real possibility. So despite missing the last part of the season Ainsley Jnr is my player of the season, followed by Charlie Warren, Ainsley Snr and Josh Hitter as runners up.

THAT WAS A LUCKY ESCAPE

AC: This ones easy for me, although another has come to mind. It was going to be by a country mile being ill and missing the away trip to New Salamis, however we ended up having an unexpected extended break in London and I also missed the Stowmarket away game. I feel blessed to have missed both in all honesty but due to the distance Salamis away!

TB: I haven't seen all the away games this season, so I can't be sure which one in particular I was glad to miss, probably either of the defeats to Bowers or Witham. I definitely know the game I wish I had missed as it has kept me awake this week - last saturday away at Gorleston! What a horrible game of football that was, and the dog was sick in the car on the way!

BEST FOOTBALL FOOD?

TB: Contrary to popular belief, I dont often sample the burgers or hot dogs, normally just the free hospitality food at half time.

Lowestoft Town take some beating alongside Bury and another Suffolk side, Stowmarket Town. Essex sides are generally

pretty poor on the hospitality front compared to all our suffolk friends - a legacy from the fantastic friendly rivalry that we always had in Eastern Counties football.

I did have one particularly nice burger away at Enfield, played at Bishop's Stortford - fully loaded with all the trimmings, delicious!

AC: I must say I do hold our food at the AGL Arena up there with the best and would probably put us joint second with Stowmarket. However having heard so much about the food served at Tilbury (Grays home this season) I finally succumbed and had there classic cheese burger. Boy it was worth the wait, tasty, filling, quality and worth every penny. For that reason alone I don't mind them getting promoted! In fairness I probably haven't tried as many as Tony LOL!

SEASON SUMMARY IN A FEW WORDS

AC: I can never not enjoy being part of this club, it's just the way it is. The people, friends, players, staff, everything that goes toward a great club. Far more highs than lows, more laughs than tears, more beer than tea or coffee. However the season finishes we have a lot to be thankful for and to be immensely proud of. We continue progressing and moving in the right direction.

TB: Here here, to all of your comments Andy, we truly do have a club that we can all be rightly proud of. Everyone seems to pull together in moments of adversity and enjoy the good moments as a whole club, I am sure the comradery amongst the players is second to none, and same can be said of the coaching and management team. Off the field we have the most wonderful team of volunteers, and once gain have enjoyed the culinary delights of the best chef in non league football!

I am not going to summarise completely just yet - the time for that will be once we win the play offs and look forward to level 3 football next season, so loads to play for starting today!

Up the Seasideers!!

FROM THE DUGOUT:
ANDY CRUMP

Good afternoon, and welcome to the AGL Arena for the final time this season in our league campaign.

This time 12 months ago, a winner-takes-all affair shattered our hopes for a playoff campaign, and although that fate is already decided, today holds no less significance as we aim to go into the next few days on the front foot.

We welcome New Salamis here for what will be their last senior game following the announcement made mid-week to cease operations at the end of the 2023/24 season. These decisions are never made lightly, but we wish them all the very best as they look to further develop a growing youth provision that will no doubt bring back senior football in the not-too-distant future. Being their last game will ensure the makings of a competitive game of football with both teams having their own reasons for finishing the league campaign on a high but with little space for sentiment!

I don't want to spend too much time reflecting on the last 7 days, as a lot has already been said following the Premier Cup final with Needham and last time out in the league at Gorleston. Football is by no means

straightforward; we are witnessing twists and turns in both the Premier League and Championship title races, and it appears to have been no different in our league. The title race in this league is now officially over, our congratulations must go to Jamie and his Lowestoft side who were last weekend crowned champions and deservedly so in the end. It would have been great to have taken it to the final weekend, but our sole focus is now today and seeing where that leaves us come 5pm this afternoon.

Walking onto the team coach at 11pm following the Premier Cup final, I was overwhelmed by the huge applause the players got from the fans that had waited patiently post-match. The support reinforced how proud it makes me to be associated with Felixstowe, its supporters, club officials, and players, and I have no doubt that we will feel that same support this afternoon!

Whilst we know today isn't the end of our season, we won't know our destiny in the playoffs until full time but will be aiming to give ourselves the best chance of having at least one more game in front of a packed AGL Arena!

Thanks as always for your support and let's give this everything!

FROM THE CAPTAIN: **BILLY HOLLAND**

Welcome Seasiders to today's game.

On behalf of the first team squad I want to thank you for your support this season. Yet again, you have been with us every step of the way, home and away, and we really do appreciate it. A special mention to those that followed us to Bury last week for the Premier Cup Final, you were there in your numbers and we hope that we did you proud. We ran ourselves into the ground and if things would have gone slightly differently on the night maybe we would have had our hands on that trophy, but that's football and it makes us even more hungry for success in the remainder of this season.

Reflecting on the season, it's been full of great memories. We've had some brilliant days, particularly here at the AGL Arena where we have beaten all four of the other teams that make up the top five. This has certainly given us the confidence and belief

that we have what it takes to beat those teams again in the play-offs and secure promotion to step three. There's a lot of work to be done in the the next week for that to become reality but let's get behind the lads and give it everything we've got!

So on to today's game... it's a nice feeling to know that regardless of what happens today we will be playing in a play-off semi-final on Tuesday night. Having said that. we have nothing but three points on our mind today and will be giving our all to make sure that happens. We had a disappointing result last weekend so it's important that we put in a good performance today and give us that momentum going into one of the biggest weeks in the club's history.

I've heard some supporters commenting on the togetherness and team spirit that they can see in the team which is something that makes me really proud. This is a special group and it would mean so much to us to end the season with silverware.

SATURDAY 13TH APRIL ISTHMIAN LEAGUE NORTH Felixstowe & Walton Utd 1 Witham Town 0

Felixstowe & Walton United held on with nine men and an outfield goalkeeper to record a crucial home victory against a tough Witham side. The away side should have taken a two minute lead but Osude's effort was brilliantly saved by the face of Josh Blunkell. Henry Barley had Felixstowe's best chance of the first half but saw his shot turned around the post. The second half sprung to life early on with Witham reduced to ten men when Ryan Dear saw a straight red card for an awful foul. Noel Aitkens was amongst those yellow carded for the melee that followed and his second followed shortly after for an innocuous tackle. The Seaside's scored what turned out to be the winner on 84 minutes when Sam Ford's smart play from a goal kick allowed him to burst forward and cross for **Zak Brown** to finish sweetly. The drama was not over yet, two minutes from the end an elbow from a visiting forward was missed by the officials but not by Blunkell in goal who had to come off with broken ribs. Attacker Josh Hitter took his place in goal with all substitutions already made and he saw out the 13 added minutes with two good saves to save his team and get the biggest cheer of the day.

With this being the last official home fixture of the season I would like to take this opportunity on behalf of myself and my family to thank each and every one who showed their respect at the home game following the sudden death of my wife and at the funeral and wake in the clubhouse on April 4th.

While she had been a rare visitor to the ground in recent seasons she remained involved as the unofficial sub editor of the match day programme, crossing the t's and dotting the i's to help make sure Becky's hard work and hours spent creating the programme were not spoilt by a ha'peth of tar.

Doug started his career in 1986 and played for East Anglian Customs, Walton United, Felixstowe United and Tattingsstone, breaking his leg four times in the process. Whilst playing for Ipswich Wanderers vets, Doug finally hung up his boots. Having found his vocation in washing players dirty pants, Doug is excited for a new challenge with the Seaside.

JOSHUA BLUNKELL **GOALKEEPER**

Josh joined the club in January 2024. The former AFC Sudbury keeper signed a professional contract with Wycombe Wanderers after impressing in Sudbury's televised FA Cup in 2021. Previous clubs also include AFC Sudbury, Bowers & Pitsea, Braintree Town and Kettering Town.

JOE WHIGHT **DEFENDER**

CALLUM BENNETT **RIGHT BACK**

Callum is in his second spell at the club having re-joined in late 2018. An attacking full back with one of the best ball deliveries in non-league football. Callum has plenty of experience from his time at Ipswich U18s, Stoke City U21s and Notts County.

JACK AINSLEY **DEFENDER**

Rejoins from Stowmarket. Jack played professionally for ITFC after coming through their academy and went on to make 4 appearances playing under Roy Keane. Jack went on to have spells at Step 3 Lowestoft and Leiston but finds himself back at the Seaside where many describe him as a "Rolls Royce" type of player who can play in any position for the team.

TOM BULLARD **DEFENDER**

Another who joins us from Stowmarket. 'Bully' has experience across Step 3 and 4 with long and successful spells as captain at both Leiston and Bury Town. Tom is a serial winner who's experience, defensive qualities and leadership skills will add to an already impressive back line.

BILLY HOLLAND **MIDFIELDER**

Billy started life at Ipswich Wanderers and has had spells at Needham, Leiston and AFC Sudbury. He's established himself as a mainstay in the centre of midfield. Players player and Supporters player of the year last season has led to him being appointed captain for the forthcoming year.

NOEL AITKENS **MIDFIELDER**

Noel's signing for the club in 2020 caused a stir amongst the non-league world, joining from step 3 Leiston and being described by manager Boardley as "the best midfield player in this area". Noel is quick, strong, can tackle, is athletic and can really play football!

LEON OTTLEY-GOOCH **MIDFIELDER**

Promoted into the first team squad from our Academy after a strong pre-season. Ivan is an industrious central midfield player whose work ethic and attitude is second to none.

KUBI KUSSAN **MIDFIELDER**

Another young player promoted to the first team squad from our Academy. Kubi is a technically gifted midfield player who enjoys moving with the ball. He has an edge to his game that has impressed the management throughout pre-season.

HENRY BARLEY **MIDFIELDER/FORWARD**

CHARLIE WARREN **MIDFIELDER/FORWARD**

Having initially joined on loan from Needham Market, Charlie made an instant impact on his debut in the FA Trophy win at Hastings. Following a number of impressive performances, manager Boardley moved quickly to secure the permanent services of one of Suffolk's brightest young players.

ZAK BROWN **FORWARD**

A sought after and highly rated young striker with blistering pace and a great goal scoring record. At just 17, Zak penned a two year pro contract with ITFC where he was a regular marksman in the U23's. Zak started life in the Seasiders Youth sections and has returned to lead the forward line as the clubs No. 9.

SAM FORD **FORWARD**

Having spent a successful period with Arbroath last season that saw them just miss out on promotion to the Scottish Premiership, Sam spent the Summer with Hume City FC in Australia before returning to Felixstowe. Coming through ITFC and later West Ham's academy, Sam is a local talent who will provide real firepower in front of goal.

JOSH MAYHEW **FORWARD**

Josh joins us from promotion winners AFC Sudbury. An experienced front man who has been prolific at Step 4 and 5 with an impressive spell at Stowmarket yielding 136 goals in 173 games. Josh's physical presence will bring a focal point to our attack as well as a being natural finisher who is a proven goalscorer at this level.

ANDRE HASANALLY **FORWARD**

Andre joined the Seaside for his third spell at the club in February from Maldon & Tiptree. Previous clubs include Colchester United and St Neots. A versatile forward with the ability to create as many as he scores.

KYRAN CLEMENTS **DEFENDER**

Kyran signs for the Seaside from Bishop's Stortford. Centre back Kyran has been playing at step two for the last six years, including five years at Braintree Town, and previously featured more locally for AFC Sudbury, Leiston and Bury Town, plus a loan spell with the Seaside in 2015.

SETH O'NEILL **MIDFIELDER**

The 18-year-old right back/midfielder has been on loan with Stowmarket Town for most of this season, captaining the side on a few occasions. Seth has been at Town since the age of 13, joining from AFC Sudbury before becoming a full academy player in the summer of 2021.

BEN FOWKES **FORWARD**

Ben Fowkes signed from Peterborough Sports in National League North. The prolific forward scored 50 plus goals over two seasons at Needham Market and Leiston before signing for the Step 2 side last summer.

TUESDAY 16TH APRIL SUFFOLK PREMIER CUP FINAL Felixstowe & Walton Utd 0 Nedham Market 2

Needham took the cup for the fourth successive year despite a valiant effort from the Seasideers. Felixstowe more than matched their opponents first half and could perhaps have been ahead before Clements cleared off the line just before the whistle to preserve the scoreline. The second half turned inside a minute following a bizarre decision to red card Josh Hitter for shouting for a corner when the assistant had indicated for one, the ref disagreeing! This allowed Needham to gradually step up the press and a penalty just after the hour was taken well. A good finish 20 minutes from time made it safe although the ten men of Felixstowe continued to press for a goal with every man on the pitch contributing to a performance that had the Seasideers support on their feet at the end, showing their pride in the team.

THE OTHER SIDE: NEW SALAMIS FOOTBALL CLUB

New Salamis FC were formed in 1971 by fans of Cypriot club Nea Salamis Famagusta, with the Cypriot based club acting as a parent club to their fans in the UK. Playing in the KOPA, (Cypriot Football League) a British League set-up for Cypriots in London, the club won countless honors and left the league in season 2017/18 as the league's most successful team, winning 12 League Titles.

The club also won a record 7 London County Cups. In the 2015/16 season the club won the FA Sunday Cup, following a 1-1 draw with Barnes at Selhurst Park and winning on penalties. In 2016/17 the club lost to Hardwick Social Club on penalties again following a 1-1 draw, at Brammall Lane.

In 2018/19 we moved into the Herts County Senior League, playing our matches at Enfield Town FC. In our first season we won the prestigious Aubrey Cup Final, and also achieved promotion to the Spartan South Midlands League, after finishing runners up. Season 2019/20 saw us participate in the Spartan South Midlands League Division One at Step 6, our ambition to achieve promotion to Step 5.

In March 2020 when the Covid-19 pandemic hit, we sat top of the league with a certain top four finish. We also were the top scorers in all top 10 Divisions as the season was null and voided. The following season saw the team reach the first round of the FA Cup, in our first season, and when the season was curtailed in November, we had managed to amass enough points to be promoted to

the Premier Division on points per game over two seasons, this season sees a new chapter.

The 2021/22 season was undoubtedly our most successful yet. Playing in the Spartan South Midlands Premier Division, we began the season with the ambition to make it into the top 6. We began with a rocky start, having only secured 4 points in our first 4 games and went crashing out of the FA Cup in our first game. Richard Georgiou, former Salamina player, then took over as manager and transformed the team into a potential title winning side. Bussy took the team on a 10 game unbeaten run to begin his time at the club, with an emphatic 10-0 win over Oxhey Jets being very memorable. After a disappointing loss to title contenders Risborough Rangers the squad dug deep to keep up the hope of promotion. After many more memorable games, 8-0 vs Holmer Green, 9-0 vs Harefield & 8-1 vs Aylesbury Vale we got ourselves into a position to win the league. In the last game of the season, we went away from home against 2nd place Risborough Rangers with the winner of the game winning the league title as well. In front of a packed crowd, we took control of the game and eventually won 2-0 against a very strong Risborough side. We won the league, finishing on 94 points with 124 goals scored.

Last season was a real test for the club as we were promoted into the Isthmian North Division. This league presented itself as extremely difficult, featuring teams such as Hashtag United, AFC Sudbury and many more great clubs. After a rough pre-season, not winning a single game, we were predicted to finish second from bottom in the league. This gave everyone at the club a determination to prove everyone wrong and be the real underdogs. We began our league campaign with four impressive results, 3 wins and a draw against well-established Isthmian clubs. The team's form then went up and down throughout the season, eventually finishing on 55 points in 38 games. Some memorable games for the club include our 4-3 victory over Felixstowe and our 2-1 win against Lowestoft. Our first season in the league led to an impressive 9th place finish, 10 places higher than we were predicted. The 2023/24 season begins with a new management for the club, with former player Tommy Boxer joining Finlay Johnson as joint managers. Joining them are assistant managers Ricky Brennen and Steve Wolfe. Lys Demetriou, better known as Mr Salamina, remains at the club for his fourth season as Goalkeeper Coach, Kit-Man & Club Secretary. Yianni Porkou also joined the club this season as our super physio from Cyprus.

TUESDAY 16TH APRIL
ISTHMIAN LEAGUE NORTH
Gorleston 1
Felixstowe & Walton Utd 0

A poor day for the Seasiders as they failed to take advantage of other results and fell to an away defeat. Curtis scored on 4 minutes and that was it for the scoring for the afternoon. Harrison and Ford came close first half but the home defence held firm. Gorleston were down to ten men just before the hour mark with George Keys receiving his second yellow of the match. Felixstowe pressed but just could not find the net, Billy Holland's header against the crossbar the closest they came.

DON'T WASTE A DAY

BY MARTYN GREEN, THE UNTOLD GAME

Find more at TheUntoldGame.co.uk or on social media @TheUntoldGame

'A day without football is a day wasted.' The words of legendary Austrian manager Ernst Happel might seem like hyperbole, even to him, but his approach to the game was a demonstration of his philosophy in action. He was too young to have been coached by Hugo Meisl directly, but the legends of the Austrian Wunderteam and their Danubian Waltz inspired his career. He made his debut for Rapid Vienna four years after he joined the team at just 13, and he went on to win six Austrian league titles, an Austrian Cup, and in 1951 a Zentropa Cup (also known as the Mitropa Cup, a forerunner to the European Cup). He went to the World Cup in 1954 and helped his team to their best ever finish of third. But however successful his playing days, it was as a manager that he would make his impact across the European game. In 1962, he took the vacant job at Ado den Haag.

Happel's first training session, making the players stay out in the rain until they could demonstrate ability at his own level, makes him sound like a hard manager, but he was a product of Vienna's coffee house culture. What had developed as a pastime of the intelligentsia had been adopted by football fans in Austria, where staff and players and fans and journalists would meet and discuss the directions of their teams. In den Haag, he sought ideas from his players and listened when they came to him. It took five years, but Happel was willing to wait for his moment. Eventually, he hauled the perennial relegation strugglers up the table, and into the Dutch

Cup final, where he would meet his legendary counterpart, Rinus Michels.

Ajax, like all Dutch clubs, played a 4-2-4 system. Happel withdrew one of his forwards into midfield. It caught Michels out, and den Haag won the most unlikely of victories. It was the perfect end to Happel's time there, because if he could beat mighty Ajax with such a small team, just imagine what he could achieve with more resources. Feyenoord, Ajax's great rivals, decided not to imagine, and appointed him to find out for sure.

Feyenoord were not in a bad place. They had just won the league, and were heading into Europe. At his first attempt, Happel took his side to the final of the European Cup, where they came up against Jock Stein's Celtic. The Scottish champions also played a 4-2-4, so Happel withdrew his forward once again. Celtic held the Dutch side until extra

time, but couldn't stop the onslaught. Stein would say that Celtic didn't lose to Feyenoord, he lost to Happel.

Happel won the Eredivisie and the Intercontinental Cup over the next few years, before leaving in 1974 and embarking on a peripatetic career across Europe. But his adopted home kept calling to him, and in 1978 he took on the big job, taking previous runners up The Netherlands to the World Cup.

The Dutch job was a tricky one. He took on a side built by his rival Michels, and there were high hopes that they could go one better. But off the field problems drastically undermined their chances. Building up to the competition, armed robbers broke into the home of Johann Cruyff and tied up him and his family. The Dutch legend wriggled free and chased the attackers away, but was too shaken to leave his family for Argentina. The Netherlands went without him, and played some of the most spellbinding football ever seen at the World Cup. But it wasn't enough, and once again they lost the final to the hosts. It's the furthest a manager has ever gone with a nation that's not his own.

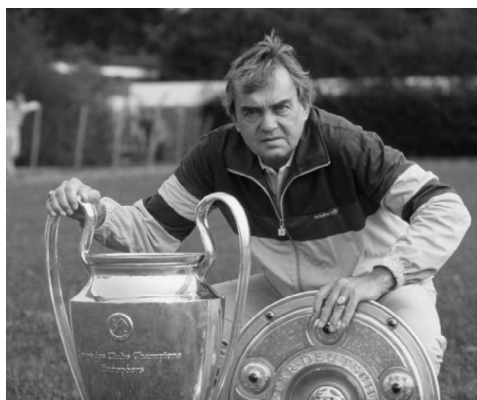

Happel went back to trotting around Europe, before a call from Hamburg gave him a second shot at glory. Inspired by Franz Beckenbauer, the German side won the Bundesliga in Happel's first season, and once again went all the way to the European Cup final. Against Juventus, he proposed man marking Michel Platini out of the game, but coffee house culture still ruled. The players

told him it was unnecessary, and he listened. They rewarded his trust with his second European Cup. The usually reserved Happel danced along the touchline at the final whistle, a spectacle likened to the Pope in swimwear as it was so strange.

In 1987 he moved back to Austria, to take charge of Swarovski Tirol. The provincial side won the double in 1989, and retained the league title in 1990. In 1992, he was given the national job, trying to see his side into the European Championships. Sadly, he died of lung cancer only a few months later, unable to see out the campaign.

Happel ended his career as the very first manager to win the European Cup with two teams. He was also the first to win four different European league titles. If a day without football is a day wasted, he didn't waste a day in his life.

Enjoy the game.

Only Lowestoft and Bury from the top five win, the latter with six, with Redbridge getting five, Walthamstow and Basildon four. Regent, Greens, Witham and Wroxham are also victorious

New Salamis were the hosts for title chasing **Lowestoft Town**, the Trawler Boys knowing that victory might even secure them the title - but that defeat might see them knocked off the top. There seemed little chance of that defeat after only seven minutes had passed, as by that point an own goal and a goal from Sam Johnson had the visitors two-nil up, and Johnson made sure that any nerves were calmed when Johnson added a third five minutes into the second half. The Salamina got a goal back seven minutes from time, Derek Asamoah with a consolation, but that was that - and the visiting fans began to party, as defeat for Bowers and Pitsea meant that they were champions. Many congratulations! **Image from Shirley Whitlow.**

Bowers & Pitsea knew that victory over **Walthamstow** could see them top of the table if Lowestoft Town lost at New Salamis - and although that might have looked a rather large 'if' the side from the Len Salmon knew that, if the unlikely happened, they'd need three points to pounce. They went ahead eight minutes before the break, the

goalscoring hero - as usual - Matt Price, and they quickly added a second, Benas Vaivada making it two-nil just five minutes later - but if they thought they could relax, the visitors had other ideas, Tariq Straker pulling a goal back deep in added time at the end of the half. Walthamstow may have had only pride to play for, but they levelled two minutes into the second half, Joinville Renee with the equaliser, and then stunned the home fans by going ahead on sixty four minutes, Bilal Sayoud making it three-two. Two minutes from time Stow added a fourth, Kymani Thomas leaving the home faithful scratching their heads.

Bowers stay second, but their title hopes are over. They are two points ahead of Bury Town and Felixstowe, four ahead of Brentwood Town.

Brentwood Town were two points away from third place Felixstowe and Walton United at kick off and wanted victory to keep themselves in the race for a home play off spot. Visitors **Brightlingsea Regent** were unlikely to be pushovers, however, with only one defeat in nine, and they went ahead on the quarter hour mark, Charlie Collis with his first goal for the club. The other Collis, Teddy, has been in fine form in front of goal, and the Regent number ten made it two-nil with his ninth in ten matches, twenty one minutes remaining and the Arena silenced- except for the travelling fans. Regent are up to seventh. Before the match the fans of both sides had a drink together.

Bury Town were comfortably qualified for the play offs but had seen their charge up the table slow in recent weeks, drawing three of their last four- but they were firm favourites as second bottom **Enfield** came to call, the visitors having taken one point from the last thirty available to them. Cemal Ramadan is having a fine season, and he started this match superbly, putting Town ahead on seven minutes and adding another within sixty seconds. It was three-nil on twenty three minutes, Ollie Yun looking to have wrapped up three points, and the same player added the fourth three minutes into the second half. Bury had a fifth just before the hour, Max Maughn making it five-nil, and they weren't yet finished, Ryan Holland getting a sixth two minutes from time. That was that, the hosts up to third - and still with a chance of taking second place.

Heybridge Swifts were at home to **Wroxham**, but it was the Yachtsmen who quickly took the initiative, Ryan Hawkins putting them ahead after just four minutes. That turned out to be that, and it left Swifts in eighth, Wroxham in twelfth.

Ipswich Wanderers welcomed **Redbridge**, and it looked as if they'd rolled out the welcome mat far too readily in the early stages, the

Motormen going ahead on seven minutes through Louie Johnson and adding a second from the spot just a minute later, Jack Chawner holding his nerve. The Motormen added a third with eleven minutes until half time, Johnson once more, and the number ten confirmed his hat trick with the fourth goal for the visitors just after half time. Just before the hour it was five, Solomon Ogunwomoju continuing the rout, and that's where it ended - the visitors having lost only one of their last eight.

Stowmarket Town, confirmed relegated and without a win all season, got off to a flyer against **Basildon United**, Kalum Benham scoring in the first minute - but it took the Bees only one more minute to level, Kye Jude quickly equalising; indeed, this match had delivered two goals before many of the others had even kicked off! The match had a third goal on nine minutes, and again it went to the hosts, Stanley Fovargue making it two-one but again the Bees quickly hit back, Ruben Bartlett-Antwi levelling. United then went ahead, Samir Ali making it three-two eight minutes before half time, but Stow quickly levelled through Dylan Kirk to make it three-three at half time. The seventh goal of the afternoon arrived with eleven minutes to go, and it went to the visitors, Clyde Semazzi putting them four-three up - a lead that this time they held.

Witham Town welcomed **Grays Athletic**, and it looked as if the match would be goalless at the break, only for a home penalty in added time to be converted by Josh Osude. The Town number ten had his twelfth goal in eighteen matches eleven minutes from the end, and that turned out to be that, Town in fourteenth - twelve points ahead of their sixteenth place visitors.
